| pH             | 2,5      |
| Cleaning Power | Powerful |

### USAGE

Use biocidal products with caution. Read the label and the information relating to the product before use.

Spray Perodes E directly on the surfaces to be disinfected or on the hands. Use enough liquid so that the surfaces remain wet during the exposure time. Allow to air dry afterwards, rinsing is only necessary if the surface comes into contact with food.

Let act for 30 seconds for bacteria and viruses, 2 minutes for yeasts and 15 minutes to for fungi.

*Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. BOMA is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.*

READY TO USE

30 SEC - 2 MIN
